That's a long time from now. I might fall under a train and get a foot amputated by the passing wheel. I can't commit.

I would festoon your wheelchair in LEDs and ropes of tinsel garland.

(Please come play? It might even be fun. Or at least a distraction. We miss you.)

But I'm right here! You can always come sit on the Doubtful Sofa.

Aww. Pouty platypus across the morning bullpen.

I make it up to you. Saturday's supposed to be nice. Can I lure you out to the high country?
Outside! Outside!

That'll give us something to do to burn out the hangovers.

Dude. I wouldn't have suggested it if you weren't ready, Spiderman. Parkour-lad. You're fit, man.

Next time, you'll ape-leap over the filing cabinet before it even has a chance to bite you!

Re: WW ECR: What about nice brown girl from Las Vegas, hmm?

Ook! Ook!

Nice brown girl from Las Vegas is not *my* nice brown girl from Las Vegas. It's ~~no~~ less fun when you have to give them back.

<3 It's all good, sweetie. Just remember: they're like parking spaces. Taken, handicapped, or way the hell out there.

But if you cruise long enough, you find a good one eventually.

You're the one somebody is trying to cruise around long enough to find, of course. A nice shady one over in the corner under a tree. Not too close to the shopping cart rack.
